Subject: Sit Rep #33: Freedom Convoy 2022- National Capital Region 2022-01-28/2022-01-29

Situation as of 1612hrs on 2022-01-30

Event Overview:

- **Convoys totalling approximately 2950 vehicles have arrived in the NCR. Unknown number of vehicles in the downtown core. Approximately 750 people reported at this time on Parliament Hill and approximately 300 people on Wellington St. Mood remains positive.**
- Lots of foot traffic observed by RCMP- DCOT on Wellington heading East.

Operational Information:

- PPS advised that just before 1500hrs, Canada First Group (**Personal Info.**), departed Parliament Hill and were last seen waking west on Wellington St.
- OPS member spoke to **Personal Info.** regarding his open carry knife. **Personal** indicated that he is exercising his legal rights. OPS suggested that it might not be the image that he wishes to display at a peaceful protest. OPS is monitoring.
- s.37 
- At approximately 1530hrs, a Facebook live stream of the Farfadaa group began which shows the group walking North on Maisonneuve. They stated that they have to do a detour and that they negotiate when they want. They stated since the police would not negotiate they would speak to the RCMP.
- At 1522hrs, a professional drone was spotted near West Block. PCC advised that they identified the drone owner and SOI was linked to drone incident during recent election.

Operational Planning:

- PPS advised that concrete reinforcement blocks have been added to No Name St. New concrete reinforcements have also been added in front of parking “850” beside Supreme Court.

Protective Clients and Protective Sites:

- CIG OSINT identified a post made on s.37 [REDACTED] channel. Post identified Dr. Theresa TAM's condo address and says "WE NEED our fellow Canadian Truckers freedom fighters to head out to protest her to be REMOVED IMMEDIATELY". PROS queries confirmed that the address provided is Dr. TAM's. PRU has been dispatched, confirmation has been received that she is at the residence and she has been made aware of the SM post and the fact that she will likely notice an increased LE presence in her area.

Communications:

- Nil issues to report at this time.
